From downtown Dallas via 67 (Cedar Hill): Take I-35 South to the split with US 67 and take US 67 south. After you leave Cedar Hill, exit Dove Lane (now Midlothian Pkwy.). Do not take the first left OVER the bridge; instead, take the second left UNDER the bridge onto Midlothian Pkwy. At the first traffic light (about 1 ½ miles), turn left onto 1387. Drive 4 - 5 miles, and you will come to the Longbranch community. The road will be making a sharp left turn (but not the first time it does this). Longbranch Elementary School will be on the left. Longbranch Community Church will be on the right side, which will actually be what you'd run into if you went straight instead of turning with the highway. You'll have to make an ***extremely*** sharp right turn in front of the church to turn onto Long Branch Rd. (This will make more sense when you see the intersection.) Drive about a mile and take the first left onto Spring Branch. Spring Branch ends into Black Champ, where you'll turn right. Our driveway is a hundred yards or so on the right (2ⁿᵈ drive after bridge). Current hours will be posted on the gate; if the gate is closed, we are not open. Enter the driveway and make a right turn before you get to the house ... park in front of the metal building.

From Dallas on I-35E (Red Oak): Take I-35E south from I-20. Exit FM 664 (Ovilla Road) and turn right (west). *(Winding roads follow; area is closely patrolled by radar.)* Drive 6.5 miles, turn right (west) on FM 1387. Drive .6 mile, turn left onto Black Champ (at the end of an "S" curve – look closely for it). Drive 1.3 miles to the stop sign. Turn right to continue on Black Champ (the sign says "Little Branch" – Little Branch is to the left). Drive another .5 mile, pull into the black pipe fence entryway on the right (just after "1425" mailbox), just before the road makes a 90 degree left turn in front of a white frame house (Black Champ Arabian Horse Farm – it looks like you'll run into their driveway). Current hours will be posted on the gate; if the gate is closed, we are not open. Enter the driveway and make a right turn before you get to the house ... park in front of the metal building.

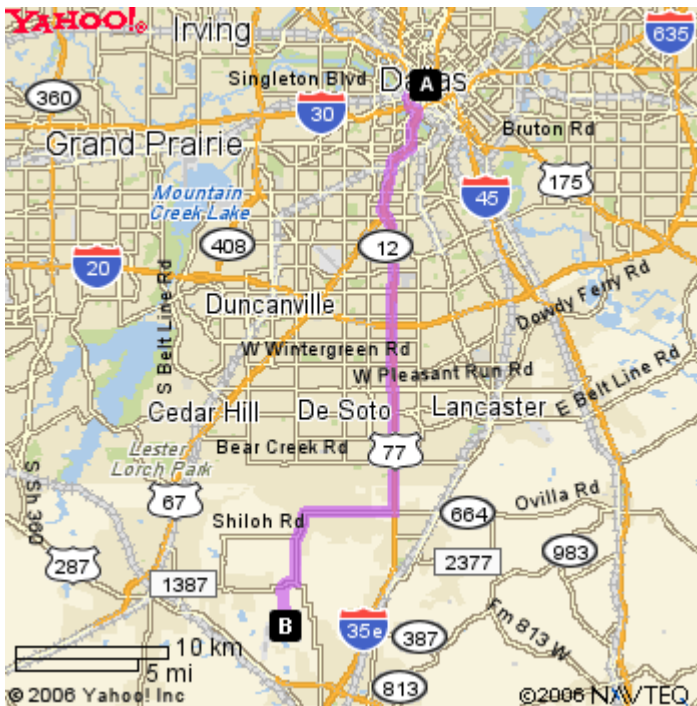

From Waxahachie (I-35E or 287 northbound):
Take the Ovilla Road-FM664 exit (from I-35E, same exit as 287 north; from 287, same as I-35E north). (Thornhill Ford and GM dealerships are at this intersection.) DO NOT GET ONTO 287 or I-35E. Stay on the service road until the stop sign at 664. Turn right onto 664, go 8/10 mile, turn left onto Marshall. Follow Marshall into the 3-way intersection with Black Champ. Bear right onto Black Champ (caution: left goes onto Black Champ, also; welcome to country roads). When you go under the power lines, you'll see us to the left (across the creek, past the power lines) -- the metal building to the right is Reliable Go-Karts. Go down the hill and across the bridge. Pass the white frame house on the left; our gate (black pipe fence) is on the left just before the "1425" mailbox. Current hours will be posted on the gate; if the gate is closed, we are not open. Enter the driveway and make a right turn before you get to the house ... park in front of the metal building.

From Midlothian (287 southbound): Take the Ovilla Road-FM664 exit. At the stop sign, turn left onto Ovilla Road-FM664. Go 8/10 mile, turn left onto Marshall. Follow Marshall into the 3-way intersection

with Black Champ. Bear right onto Black Champ (caution: left goes onto Black Champ, also, welcome to country roads). When you go under the power lines, you'll see our farm to the left (across the creek, past the power lines) -- the metal building to the right is Reliable Go-Karts. Go down the hill and across the bridge. Pass the white frame house on the left; our gate (black pipe fence) is on the left just before the "1425" mailbox. Current hours will be posted on the gate; if the gate is closed, we are not open. Enter the driveway and make a right turn before you get to the house ... park in front of the metal building.
